XPENG Announces Vehicle Delivery Results for January 2026

February 1, 2026

GUANGZHOU, China, Feb. 1, 2026 /PRNewswire/ -- XPeng Inc. ("XPENG" or the "Company," NYSE: XPEV and HKEX: 9868), a leading global AI mobility technology company, today announced its vehicle delivery results for January 2026.

In January 2026, XPENG delivered a total of 20,011 vehicles. These deliveries are expected to reduce life-cycle greenhouse gas emissions by more than 300,000 tons — equivalent to the carbon absorption of 4.94 million tree seedlings over 10 years.

The XPENG P7+ was launched simultaneously across 36 countries, and made its European launch at the 2026 Brussels Motor Show in January.

As of December 31, 2025, XPENG has expanded its global presence to 60 countries and regions. Its overseas sales network now encompasses 380 physical stores, representing a year-over-year growth of more than 150%, while its worldwide sales and service network has grown to a total of over 1,000 outlets.

About XPENG

XPENG is a leading Chinese Smart EV company that designs, develops, manufactures, and markets Smart EVs that appeal to the large and growing base of technology-savvy middle-class consumers. Its mission is to become a smart technology company trusted and loved by users worldwide. In order to optimize its customers' mobility experience, XPENG develops in-house its full-stack advanced driver-assistance system technology and in-car intelligent operating system, as well as core vehicle systems including powertrain and the electrical/electronic architecture. XPENG is headquartered in Guangzhou, China, with main offices in Beijing, Shanghai, Shenzhen, Silicon Valley and San Diego. The Company's Smart EVs are mainly manufactured at its plants in Zhaoqing and Guangzhou, Guangdong province. For more information, please visit https://www.xpeng.com/.

Safe Harbor Statement

This announcement contains forward-looking statements. These statements are made under the "safe harbor" provisions of the United States Private Securities Litigation Reform Act of 1995. These forward-looking statements can be identified by terminology such as "will," "expects," "anticipates," "future," "intends," "plans," "believes," "estimates" and similar statements. Statements that are not historical facts, including statements about XPENG's beliefs and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties. A number of factors could cause actual results to differ materially from those contained in any forward-looking statement, including but not limited to the following: XPENG's goal and strategies; XPENG's expansion plans; XPENG's future business development, financial condition and results of operations; the trends in, and size of, China's EV market; XPENG's expectations regarding demand for, and market acceptance of, its products and services; XPENG's expectations regarding its relationships with customers, suppliers, third-party service providers, strategic partners and other stakeholders; general economic and business conditions; and assumptions underlying or related to any of the foregoing. Further information regarding these and other risks is included in XPENG's filings with the United States Securities and Exchange Commission. All information provided in this announcement is as of the date of this announcement, and XPENG does not undertake any obligation to update any forward-looking statement, except as required under applicable law.
